Her mamma always told her to be proud of herself. Be good, stay strong now, baby you can do anything. You can do anything.

Her friends always told her don't even bother, just look at yourself, girl you can't do anything.

You can't do anything.

I'm singing ladadala ladadada.

(Chorus)

I wanna fly to the moon, fall in love and be back for noon. (Oooh)

I wanna run round the world singing ladadada.

I wanna sit here with you in this coffee shop on this table for two. (Oooh)

I wanna run round the world singing ladadada.

Two years later she's up on the stage with her hands in the air, she's a world leading singer. Can you blame her?

Singing here's to the ones who told her she could not fly, she could not fly so high, they were the ones that made her.

Im singing ladadada ladadada.

(Chorus)

I wanna fly to the moon, fall in love and be back for noon. (Oooh)

I wanna run round the world singing ladadada.

I wanna sit here with you in this coffee shop on this table for two. (Oooh)

I wanna run round the world singing ladadada.

I know what I wanna do. I know what I wanna be. I know I can't have anybody stopping me.

I know what I wanna see. I know where I wanna go. I don't need them telling me no no no.

I wanna fly to the moon, fall in love and be back for noon.

I wanna run round the world singing ladadada.

I wanna fly to the moon, fall in love and be back for noon. (Oooh)

I wanna run round the world singing ladadada.
I wanna sit here with you in this coffee shop on this
table for two. (Oooh)
I wanna run round the world singing ladadada.
