BREAK AWAY

A failure, I'm going down

Your blinded attempts to make me real and now

So don't leave me 'cause I'm on my own

you don't need me... Lets go on

Break Away

BREAK AWAY

I know that I will never be the same

BE THE SAME

You try to take away from

TAKE AWAY

All that I ever was or all that I could be

Break Away

BREAK AWAY

I want to be set free

Misguided, you tore me down

I wondered would I ever feel somehow

So don't say it... I know that I'm on my own

So don't scream it... Your life goes on

Break Away

BREAK AWAY

I know that I will never be the same

BE THE SAME

You try to take away from

TAKE AWAY

All that I ever was or all that I could be

Break Away

BREAK AWAY

I want to be set free

Nothing's changing

Your words are hanging

Taking life from

What have we done

Finally

Something seems

Nothing ever was to change in me

If I could breathe

I would have strength to finally say  
Youâ€™re drowning me  
But you know that I WANT YOU!!!!

Break Away  
BREAK AWAY  
I know that I will never be the same  
BE THE SAME  
You try to take away from  
TAKE AWAY  
All that I ever was or all that I could be  
Break Away  
BREAK AWAY  
I want to be set free
