Ooh Yeah

I don't care if you walk right by me with another guy  
See I got plenty of time, plenty of time, Yeah  
You can blow me off it won't make a difference  
I won't listen, no changing its mine, no changing its mine

Sometimes you look right through  
But all I see is, all I see is you, Yeah

You're kinda like a train that just won't stop  
Tryna put the key inside the lock  
Girl I'm gonna like you, like you, like me or not

I ain't ever gonna lose this plot  
Waiting for you to connect the dots  
Girl I'm gonna like you, like you  
Like me or not, like me or not

I don't care if you lose my number, ain't gonna crumble  
Ain't gonna fall to the floor, I always got more  
You can tell all your friends that I'm not your type but  
If you don't trap me, how can you be sure? How can you be sure?

Sometimes you look right through  
But all I see is, all I see is you, Yeah

You're kinda like a train that just won't stop  
Tryna put the key inside the lock  
Girl I'm gonna like you, like you, like me or not

I ain't ever gonna lose this plot  
Waiting for you to connect the dots  
Girl I'm gonna like you, like you, like me or not

Sometimes you just know  
Oh-Oh  
That you shouldn't let go  
Oh-Oh-Yeah

I'm kinda like a train that just won't stop  
(Stop-Stop-Stop-Stop) I'm gonna like you  
Like you, like me or not

I ain't ever gonna lose this plot  
Waiting for you to connect the dots  
Girl I'm gonna like you, like you, like me or not

Whoa-Oh-Oh-Oh-Oh, like me or not  
Whoa-Whoa, like me or not  
Let's see if we can connect the dots, Girl  
Like me, like me, like me or not
