IT'S OVER

(Verse 1)

It was yesterday,
Like it's today,
I still remember all the things we used to do,
I can't forget,
Your smile,
And your pretty lips where I found my truth,

(Pre-Chorus)

Now I'm wondering how do you sleep,
Did you forget about me?
Tell me babe do you,
I'm asking myself did you still feel,
The way we held with strength and the way touched
sweetly,

(Chorus)

When you said it's over
Did you really mean it,
When you said it's over
Did you stop that feeling?
When you said it's over
Was it from the heart?
When you said it's over
I couldn't just believe it

(Verse 2)

we talked about tomorrow, but
now there is no tomorrow,
and I hate to remember all the dreams we were
planning,
it was so real,
a true and trusted love,
I mean it's too hard for me now to watch it fading,

(Pre-Chorus)

Now I'm wondering how do you sleep,
Did you forget about me?
Tell me babe do you,
I'm asking myself did you still feel,

The way we held with strength and the way touched
sweetly,

(Chorus)

When you said itâ€™s over
Did you really mean it,
When you said itâ€™s over
Did you stop that feeling,
When you said itâ€™s over
was it from the heart,
When you said itâ€™s over
i couldn't just believe it

(Bridge)

-haaaaaaaaaaaaa*

(Chorus x2)

When you said itâ€™s over
-haaaaaaaaaaaaa*
When you said itâ€™s over
-
When you said itâ€™s over
-
When you said itâ€™s over
-
When you said itâ€™s over
Did you really mean it,
When you said itâ€™s over
Did you stop that feeling,
When you said itâ€™s over
was it from the heart,
When you said itâ€™s over
i couldn't just believe it
-haaaaaaaaaaaaa*
