(Verse 1)

Yes, I know I was wrong,
I made many mistakes, and now I'm guilty,
We both know where the right way,
But u left me alone in the wrong way,
I was seeing just the dark,
Like my eyes never seen the light,
But I saw u wanting to help but u never, never did,
(Pre-Chorus)
Baby gimme one more chance,
Cuz my life is stopping to this chance, (yeah to this chance)
I had a bad choice and I never meant to choose it,
I'm really sorry for anything I did to u,
Now i'm regretful, now i'm regretful, now i'm regretful,
now i'm regretful,

(Chorus)

Whatcha Gonna Do
(Baby tell me) Whatcha Gonna Do
(But tell me baby) Whatcha Gonna Do

(Verse 2)

I made u feel like exhaustion,
I left u crying every single night crying,
I was so silly, silly boy,
I was so heartless like I never had a heart,
I never know how u was caring for me,
but now i do baby,

(Pre-Chorus)

Baby gimme one more chance,
Cuz my life is stopping to this chance, (yeah to this chance)
I had a bad choice and I never meant to choose it,
I'm really sorry for anything I did to u,
Now i'm regretful, now i'm regretful, now i'm regretful,
now i'm regretful,

(Chorus)

Whatcha Gonna Do
(Baby tell me) Whatcha Gonna Do

(But tell me baby) Whatcha Gonna Do

(Bridge)

(Chorus)

Whatcha Gonna Do

(Baby tell me) Whatcha Gonna Do

(But tell me baby) Whatcha Gonna Do
