the sky is getting bluer
the grass is getting green
I should be clearing clutter
and fixing window screens
the day are getting longer
summers finally here
Not thinking 'bout fishing
or working overtime
mini-skirts are everywhere
messing up my mind
it always seems to happen
this time of year

summer weather
sure is something
goodbye sweaters
hello next to nothing
I'm not getting much work done
but don't call me lazy
I'm just a boy going
girl crazy

the yard needs some mowing
the house is peeling paint
so much I should be doing
I'll tell you why I ain't
I'm stuck here on the front porch
taking in the scenery
here comes Juliana
there goes Mary Jane
hello there ladies
how's it going today?
I can't believe the cuties
walking up and down the street

summer weather
sure is something
goodbye sweaters
hello next to nothing
I'm not getting much work done
but don't call me lazy
I'm just a boy going

girl crazy

and the next thing that you know
we'll all be going to the beach
tank tops, flip flops
that will be the death of me
(oh the death of me)

SOLO

summer weather
sure is something
goodbye sweaters
hello next to nothing
I'm not getting much work done
but don't call me lazy
I'm just a boy who is going
girl crazy
I'm not getting much work done
but I'm not lazy
I'm just a boy going
girl crazy
girl crazy
