If you're looking for a real life love  
Someone to hold you when the world's too much  
Someone who understands  
Baby I'm your man

If you wanna feel a fire in the night  
Someone to kiss your lips and hold you tight  
Baby take my hand  
Cause I'm your man

If you want strength, girl I can give it  
If you wanna fall in love, I'm already in it  
If you want a strong heart and a biggest fan  
Baby I'm your man

We can take it slow, we can jump in fast  
But something tells me this is gonna last  
Forever and  
If you want that, baby I'm your man

If you want strength, girl I can give it  
If you wanna fall in love, I'm already in it  
If you want a strong heart and a biggest fan  
Baby I'm your man

If you're looking for a cold heart breaker  
No that's not me  
And that's not the way love should be  
But if you want someone who'll stand by you  
And do the best that they can  
Then come on baby, I'm your man

If you want strength, girl I can give it  
If you wanna fall in love, I'm already in it  
If you want a strong heart and a biggest fan  
Baby I'm your man  
If you want a lover and a biggest fan  
Baby I'm your man  
Baby I'm your man

If you're looking for a real life love
