People, they will talk
but they will never see me cry
I am perfect to myself
you'll never see me cry
never see me cry (x2)

cry, cry

Sometimes I feel
so alone
insecurities got me feeling low
-cryyy-
all they want to do is break me down
i try to rise but they keep me on the ground
(why do they do that?)

All of this hate is all wrong
i just want to be where I belong

cry x9

I have always been me
i can't explain why
when the kids would pick on me
it made me want to die
but they never saw me cry
never saw me cry

cry, cry

I picked myself up and moved along
who would have known i could be so strong
(strong)
I admit my choices weren't always right
the things i did still keep me up at night
why, did i do that?
all this hate is all wrong
I just want to be where i belong
i'll survive if i can just stay strong

"spoken"

I made mistakes
in the past
can't go back
yeah back to that
they made me cry
to many times
I'm done with that
you'll never see me
im not gonna cry

cryx4

they will talk but they will never see me cry
i am perfect to myself you'll never see me cry
people they will talk but they will never see me cry
i am perfect to myself you'll never see me cry
people they will talk but they will never see me cry
i am perfect to myself you'll never see me cry
