You know what boy?
I don't think you understand.
I run VIP.

Ryan Mattel (Casper Alaska)

I'm gettin' naughty, and it's so much fun
Drinkin' bottles, until we see the sun
I'm blastin' all of my favorite songs
The DJ don't even know what the fuck is goin' on
I took over the whole club
VIP is just how I run.

I'm just having fun

I do what I do, you could come too
If you a bad bitch, you could join my crew
If you wanna play with it, I could play too
I'm feelin' kinda frisky, I wanna play with you

My girls are callin' me
But I'm not gonna go
They wanna stop me
But they'll never know
What I have with you
I'm so hot for you
and you shine so bright
You could be my love, just for tonight

I'm gettin' naughty
and it's so much fun
drinkin' bottles, until we see the sun
VIP is how I run, yeah

It's just how I run

You are so cute, I could almost die
You are so much sweeter than ch-ch-ch-cherry pie
I love to flirt with you, I love to grind and dance with you
Can I wear your chain? And can I kiss you?

Hey boy, come here

In your arms, I know there's nothing to fear
I'm lovin' what you are
Something in your heart is pure

And I know that you're gonna love me (love me)
(Yeah)

Yeah
Yeah, that's how I run (x2)

I know that we could fall in love if you just gave me a
chance
Did I, did I mention that I'm the best?
I love the way you hold yourself, you're like the king of
the castle
Jump up on my throne, VIP is how I run
