Walkin down the street
everybody's lookin' at me
like there were jewels dripping off of me
boys stick to me, like ants all over that honey
all i gotta say is just baby gimme that money
cause I get what I want, don't gotta ask twice
deny me that, Yeah I won't be so nice
be so nice
won't be so...

nice

Girls rule boys drool, when they eat me out at school
recess, make it work, he gon' make that pu\$\$y skwert.

(ah ah, ah ah)
make that pussy skwert
(ah ah, ah ah)
make that pussy skwert
(ah ah, ah ah)
get that ass to work
(ah ah, ah ah)
make that pussy skwert.

Brushin' out my weave
bitches fuckin' jealous of me
body's so hypnotic
i'm so gorgeous effortlessly
boys calling me... Boo, you think these minutes are
free?
pay to see this kitty, you pay to see this kitty

smoke this hash, watch my splash, fuck my ass and
gimme dat
cash, credit, debit, money card
throw these bills and get it hard
cause i get what i want don't take no excuses
if you give it all to me, you'll see me skwert these juices
(i'm gonna skwert these juices)

Girls rule boys drool, when they eat me out at school
recess, make it work, he gon' make that pu\$\$y skwert.

Girls rule boys drool, when they eat me out at school
Bang, Bang choo-choo train, get up on it and make it
rain.

slide down that pole, its flood control
wet it up and mop that floor.
that winter cold will turn my skwert to pussy snow
he makes me go "ah ah"
his tongue roll, drops me fast like i am easy
makes me feel so fuckin sleazy.
SO hardcore
like a whore
ill leave you wanting more

he makes me go
(ah)
he makes me say
(ah)
he makes me go
(ah)
he makes me say
(ah,ah,ah,ah)

he makes me say.
