I shouldn't never said I loved you
I should never told you that again
Thought that we would last forever
Until I looked around and hold this... there
And it's crazy 'cause it hurts inside
I don't know what I did
And I'm lost in my mind I can figure it out
Girl you were my one and only

Chorus:

Love I shouldn't never let get this far
Now I'm lost it, love
You're the one that my heart beats for I'm steal it
Love, nothing can need someone with open...
Girl I'll be here for you
A gift of love

So I'm supposed to believe it's over
I can't hold you... from how I'm crossing...
Anything my heart 'cause I'm worthy of your love
You gotta know that one day you come back again
And is like in the movie that never ends
No ever call it so evident

But girl I'm stop I'm missing up
You gotta hold on believe
I'm steal it

Chorus:

Love I shouldn't never let get this far
Now I'm lost it, love
You're the one that my heart beats for I'm steal it
Love, nothing can need someone I'll be alone
Girl I'll be here for you
I'll promise just for you

Love until it's feeling the perfection
It's love wanna... and close the eyes...
Love, you and me, you and... represent
Love 'cause love baby yeah
I should have never let it get this far

Now I've lost it
You're the one that my heart beats for I'm steal it
Love, nothing can need someone I'll be alone
Girl I'll be here for you
I'll promise just for you
Get the love ooh
A gift for love, a gift for love
Ooh
