Aah ooo, aah ooo,
Aah ooo, aah ooo,

I just cant believe my luck is sinking in,
Trying not to wake up from this dream I'm living,
I'll never regret all the things I've said and done,
Once you notice there's nothing there worth running
from,

I'll be loving, loving you,
I'll be loving, loving you,

I wont forget this when I wake,
So I'll send the text to say,
I'm loving, loving you,

Aah ooo, Aah ooo,
Aah ooo, Aah oo,

I feel like I'm walking on a tightrope line,
I'm getting closer to the edge,
But the rest is a steady uphill climb,
I'm wiping away all the tears you shed,
While processing all the nouns and verbs you just said,

Now I may not be a reader,
But I can read you like a book,
And I may not have the stature,
And I may not have the look,
But I can give you all you've wanted,
Just take it from me now,
Don't waste all your time thinking,
Cause time stands still somehow,

When I'm loving, loving you
When I'm loving, loving you,
When I'm loving, loving you,
When I'm loving, loving you,

Aah ooo, aah ooo
Aah ooo, aah ooo,
