"Lay Me Under Your Love"

Visit "[Lay Me Under Your Love](#)" on MotoLyrics.com

Lay me down, make me sound
Lay me under your love
Lay me there
Lay me under your love

Whence I'll find rest of mind
Raise your kingdom, I will bow down
Lay me there
Lay me under your lover

For I'm not perfect
Thus your love I long to turn me right
Oh won't you lay me there
Where your love can change the night
Oh I claim your love

Have I told you you mean the world?
That my heart unto you is sold
Have I told you you bind it all?
That in love I am standing tall.
