Verse 1

I've been searching
High and low
I've been flirting
Yeah, I know
That destiny has got a mind of its own

I've been spending every nickel
But happiness ain't that simple
When I'm living all my lonely days alone

Chorus

All the money in the world don't mean a thing
Cell phones, fancy clothes, or diamond rings
I don't need a maserati or a big flat screen
â€˜Cause there ain't no price
No price for love

Verse 2

I've been using all my time
Finding the rhythm to my rhyme
There you were singing the sweetest tune

I've been thinking â€˜bout
What I'm missing
And it's you
That's got me whistling
My heart hit the jackpot when I saw you

Chorus

All the money in the world don't mean a thing
Cell phones, fancy clothes, or diamond rings
I don't need a maserati or a big flat screen
â€˜Cause there ain't no price
No price for love

Bridge

The rich are getting richer
The poor are getting poorer
At the end of the day,
There's still love left for ya
There's enough for the needy, but not for the greedy

â€˜Cause there ain't no price. Oh...

Chorus

All the money in the world don't mean a thing
Cell phones, fancy clothes, or diamond rings
You don't need a maserati or a big flat screen
â€˜Cause there ain't no price
No price for love

Outro

No, no price for love
L-O-V-E, love
No, no price for love
There ain't no price for love
