You think by now I'd have learned my lesson
I've always found my teachers depressing
Before I know it she's on her knees
And I'm on mine,
Begging to stop this
Please darling stop

Around here again
But I don't think you asked for much

Ooooh
Obviously cold, obviously cold
Oooooh
Obviously cold, obviously cold

You get caught up in a situation
Her lips squeezed tight she gives up conversation
And what do you know it she's got to her knees
Take off that dress and hand it to me
Just take it off

You're on your back again
But I don't think you're deep enough

Oooooh
Obviously cold, obviously cold
Ooooooh
Obviously cold, obviously cold
Ooooh, Ooooh

Stop
Don't stop
Stop
Don't stop
Stop
Don't stop
Stop

Ooooh
Obviously cold (stop)
Obviously cold (don't stop)

Oooooh
Obviously cold (stop)
Obviously cold (don't stop)
