I guess your 1 4 3
Should mean nothing to me
You looked me in the eyes
But itâ€™s not a big surprise, no
So Iâ€™m heading back to Chicago

Weâ€™ve had our ups and downs
And I thought weâ€™d turn it â€™round
Now Iâ€™m clutchinâ€™ onto nothinâ€™
Cause I know youâ€™ve just been bluffin, yeah
So Iâ€™m heading back to Chicago

Donâ€™t try to talk me out
Iâ€™m gonna leave this town for good

Hold on
Give me one more minute Iâ€™ll be coming to
Iâ€™m wrong
Stay with me, itâ€™s what I need you to do
You know that I fell for you
So I promise weâ€™ll make it through
Say that you love me too
Just say that you love me too

You told me â€™Hey, letâ€™s goâ€™
But I really oughta know
That youâ€™re jumpinâ€™ onto somethinâ€™
Cause you know youâ€™ll miss my lovinâ€™, yeah
So Iâ€™m heading back to Chicago

You know Iâ€™m tired of playinâ€™ games
And itâ€™s really such a shame
So if you donâ€™t want to try
then itâ€™s time to say goodbye, now
And Iâ€™m heading back to Chicago

Donâ€™t try to talk me out
I hate when you talk so loud to me

Hold on
Give me one more minute Iâ€™ll be coming to
Iâ€™m wrong

Stay with me, itâ€™s what I need you to do
You know that I fell for you
So I promise weâ€™ll make it through
Say that you love me too
Just say that you love me too

Weâ€™re just so damn close
But I need to leave this coast
Weâ€™re not perfect but itâ€™s worth it
And the wind can be our verdict, yeah
So come with me to Chicago

So now Iâ€™m gonna shout
Come on and leave this town with me

Hold on
Give me one more minute Iâ€™ll be coming to
Iâ€™m wrong
Stay with me, itâ€™s what I need you to do
You know that I fell for you
So I promise weâ€™ll make it through
Say that you love me too
Just say that you love me too

Just say that you love me too
Just say that you love me too
