[Verse 1]

In Vegas, yeah I drink J&Ager
Throw bangers, get serenaded by ladies basically
naked
It's crazy this life I take it
Everybody notice, white girls drink Vodka Sodas
Jack and cokes will get you open, tequila shots are the
dopest
And I love it, the way you look so fine when I'm faded
on my gin and tonic
But keep on getting persuaded that I wanna crack a
Jameson
Invite all your lady friends, tell that bartender serve a
mothafuckin' round again

[Hook]

Tell that bartender make that motherfucker stronger
I wanna go all night longer
A couple rounds going down like water
I wanna go all night longer
Cause I do this every night
I wanna do this every night
A couple rounds going down like water
I wanna go all night longer!

[Verse 2]

Negronis for all my homies
Titos and chasers only
Whisky straight for the lonlies
Tequilias, red wine and Stolies
Yeah I mix it, yeah I mix it
Have some beers before this liquor
Now I'm shit-faced at the bar but my games never been
sicker
Shoot whiskey like a cowboy
Both guns go off then we wild boys
Got a light skinned girl, sit tall boys
Jump around?
Gun natty ice like a college kid
So many girls, come and grab one bitch
Toast to the bars, toast to the broads
Ha! no wonder why you love this shit!

[Hook]

Tell that bartender make that motherfucker stronger
I wanna go all night longer
A couple rounds going down like water
I wanna go all night longer
Cause I do this every night
I wanna do this every night
A couple rounds going down like water
I wanna go all night longer!

[Interlude]

My game's never been sicker
And I love it (X4)

[Hook]

Tell that bartender make that motherfucker stronger
I wanna go all night longer
A couple rounds going down like water
I wanna go all night longer
Cause I do this every night
I wanna do this every night
A couple rounds going down like water
I wanna go all night longer!
