Im the cat with the base and drum
going around like
Bom Bom Bom

(Instruments)

Im the cat with base and drum
Going around like
Bom Bom Bom

What's grooving?
Im moving!
I like your style of womping

How charming,
Just a rapper
Load him up and
Beat the snapper

I bought 16 pints of rum
And then I go Bom Bom

Going up in the dark
In the night
And so I go oohh aaaahh ahhh

I brought A pie in my pocket
Pie in my pocket
And I am a socket

You got life
And you got style
And you got nothing on my mind

(Chorus)
But im so cool
And im so groovy

When I go Bom Bom Bom!

(Instrumental)

Going around like bom bom bom

(Instrumental)

Im so cool
And im so groovy

And I go Bom Bom Bom

(Instrumental)
I the cat with the base and drum
Going around like bom bom bom

Whats grooviing?
Im moving!
I like your style of womping

How charming just a rapper,
Load him up and beat the snapper

I bought 16 pints of rum
Then I go Bom Bom Bom!

(Instrumental)

Im so cool and im so groovy
(Instrumental)

Bom Bom Bom
(Instrumental)

Im so cool and im so groovy
And I go Bom Bom Bom!!!
