Well your eyes were wearyâ€”

And your face is longâ€”

So is the road you've been traveling on

What you've been running wild on

Busted soulâ€”â€”I want know, just what makes you go

â€”â€”Why you choose, to love him so

When the a rain comes pouring on

Your heavy heart is beating strong

Well your faith, its is fragile

And your tear are all gone

Cause you cried like somebodyâ€™ s, been loving you
wrong

You've slept with lions

and you've weathered the storm

What I wana know, is what makes you go

Why you choose, to love him so

When the rain comes pouring on

Your heavy heart is beating strongâ€”

What makes you love him

Is it the cold in his touch

Ohh your heart must be tired

Cause you've been crying, too much

You've been crying, too much

Well you've been crying, too much.
