VERSE 1:

Hey Hey Look Bitch /
Do I look rich? /
Do I look like I got a whole lot of money? /
Does it look like even if I was fucking loaded,
youâ€™d be getting something from me? /
So what if Iâ€™m acting childish towards,
giving your ass cash for child support /
Iâ€™m just trying to follow in my fathers footsteps /
except Iâ€™ma skip out a couple days BEFORE HIM /
Hey Ron how much do they pay to do porn? /
I need a whole lot of money money Lauren /
So hit that corner, babygirl perform /
Take it like a solider, till your walls get torn /
Iâ€™m just joking. Just pulling your arm /
No pimpin here. Heidi Fleiss reformed /
So did I / Sike I lie / I gotta make this money come /
Speaking of â€œnutsâ€, I'm going nuts / cuz Iâ€™m
basically broke as fuck /
Got no money / Got no bucks /
Got ideas, but got no drugs /
So I canâ€™t sell / fuck it well /
guess I gotta work at Taco Bell /
â€œPart time up at Chipâ€™ and Dales... /
My lifestylesâ€™ a living hell /

CHORUS: (Repeat 2x)

Are you famous yet? â€œ (Hey Nova) Are you famous
yet?
Are you or R U not on MTV, VH1 or BET?
Thatâ€™s B.E.T. you fuckâ€ and NO Iâ€™m not
famous yet
Iâ€™m still pulling overtime shifts at Mcdonalds and
UPS
But arenâ€™t you famous yet? (Nova) Ainâ€™t you
famous yet?
Donâ€™t you have a mansion? A yacht? Donâ€™t you
drive a nice ass Lexus?
No Iâ€™m NOT FAMOUS YET. Donâ€™t you think if I
had a lex,
I wouldnâ€™t be walking the same distance it takes me
to get to Texas.

VERSE 2:

I really hate to be an anus, but honestly do I look that famous? /
Do I look like I got a whole lot of money? /
Does it look like I could afford Armani /
Do I look stunning? No I look bummy /
I ain't even got a single dollar bill on me /
Check my pockets. Check my coat! /
I'm about to sling 8 balls of coke /
I'm about to murder all these folks /
in this shopping mall, cuz dawg I'm broke /
I'm about to fake my death, no joke /
Drop an album called "THERE'S NO HOPE" /
Kill myself in every track /
Pass me a knife, nah pass me a gat /
Don't worry not gonna kill myself /
I just need them for sound effects /
Ight I'm done. Album complete /
Humpty Dumpty, Little Bo Peep /
Mary had a little lamb. Sounds so street /
Who am I kidding? That's not me /
What am I lacking? Why isn't rapping making me money? Whats so funny? /
Why are you laughing? / Somebody pass me a gun / If another person asks me /

3rd verse:

(Nova you serious? Nigga kill yourself!)
I'm at the point where my heart can't take it /
Sometimes I feel like "What if I don't make it"? /
What if all this fucking work's in vain? /
I'll go berserk, Pull a "Kurt Cobain" /

Gun go BANG / People go "DANG" /
People calm down get off the cocaine /
Pat get off the crack / Matt get off the smack /
Dad get off your ass. Cough up change /
Once you get fame, everyone aims /
their sights on you. Even relatives change /
All of a sudden you got 20 more cousins /
Talking about you keeping in touch with them /
Where the fuck were ya "ll before! /
Before "Undefined" ever hit the store? /
Before "Applebooty" got me whores? /
Before the launch of a "Nobody tour"? /
You're not sure. Well I'm not sure /
you got the right Marcus Brock anymore /
Maybe I'm wrong. Maybe I'm right /
Well if that's the case, well have a nice life /
Don't come back! Don't do that! /
Part Arabian, bombin' tracks /
Audio aliens, what kind of name is that? /
By the way, J.B. Are you famous yet? /
