Yeah I tried to tell them before  
But they didn't listen  
Guess the only way to convince them is to make 'em go

Guess the only way to convince them is to make 'em go

VERSE 1:

I tried to tell them. They were like "oh" /  
Now I'm excelling, they be like "Wwwwwhoa" /  
"That's actually pretty dope" /

I tried to show them. They were like "coool" /  
NOW I'M EXPLODING. They be like "Owww" /  
"That's sick!" "Man." "Dude." /  
"That's wow." "That's you?" /  
"When did you do all this? You made this? I didn't even have a clue /  
You told me you did music, but this sounding super smooth /  
You produced the beat? Makes me wanna move /

I can't even front. From the jump, THIS MADE ME GO... /

CHORUS:

WHOA! WHOA!

WHOA! WHOA! UH OH!

YEAH I tried to tell them before

But they didn't listen

Guess the only way to convince them is to make 'em go

WHOA! WHOA!

WHOA! WHOA! UH OH!

YEAH I tried to tell them before

But they didn't listen

Guess the only way to convince them is to make 'em go

VERSE 2:

I tried to explain it. But they didn't hear me though /

But now I'm bumping, bangin' /

EVERYWHERE THEY GO /

I guess success could be a little difficult /

But did you really have to be sooo skeptical? /

But "F" it, yo I put my effort up in every flow /

My work ethic got me going non(stop) 24 /

Every record sell. Another plaque gold /

Don't really wanna rub it in /

But I TOLD 'EM SO /

Yeah I told them, I'ma blow up. "Man, I don't know" /

That's what they told me. Now they dead center, front  
row /

Singing every lyric as I rip it so specific /

I barely gotta rap or sing a lick. I could just lip it /

But skip it, I'ma zip it. / I'ma let it go /

"Who's Sanova man?" (I don't even know) /

"Crank this record up. I never heard this song before" /

Oh that's Sanova! Never thought, but HE CAN REALLY  
GO (hard)!

WHOA! WHOA! UH OH!

But they didn't listen

Guess the only way to convince them is to make 'em go

WHOA! WHOA!

WHOA! WHOA! UH OH!

YEAH I tried to tell them before

But they didn't listen

Guess the only way to convince them is to make 'em go

VERSE 3:

I TRIED TO CONVINCE THEM. THEY WERE LIKE "riiiight" /

THEY DIDN'T LISTEN. BUT NOW THEY LOOKING LIKE... /

"MAN" "DAMN" "That's TIGHT" /  
(See I knew you'd go places, make it..) Yeah right /  
Its funny how when I was coming up, money super light  
/  
that you wasn't talking like that. Almost overnight /  
You changed your tone. Dig my songs. You SUPER  
SIKED? /  
Back then you wasn't. Now I'm BUZZIN'! YOU JOKING,  
RIGHT? /  
Came Up (with) NO HYPE. "Must be doing something  
right" /  
In a business where competition is tight /  
Where its NOT cool to be different, but its COOL to  
"BITE" /  
And everybody racing for recognition on the mic /  
But why chase the mic, if its sitting here on my right  
(arm) /  
No matter where they place me.. I know I'm "Nice" /  
WHO NEEDS SOME PROOF? /  
I'd hit the booth /  
HAVING 'EM ALL GOING LIKE... /

CHORUS:

WHOA! WHOA!  
WHOA! WHOA! UH OH!  
YEAH I tried to tell them before  
But they didn't listen  
Guess the only way to convince them is to make 'em go  
WHOA! WHOA!  
WHOA! WHOA! UH OH!  
YEAH I tried to tell them before  
But they didn't listen  
Guess the only way to convince them is to make 'em go
