Orishas Feat. Heather Headley  
Represent, Cuba  
Dirty Dancing 2 Soundtrack  
Hey, mi musica,  
Represent, Represent, Cuba,  
Orishas underground de Havana  
Represent, Represent, Cuba,  
Hey, tu musica  
Te quiero Havana,  
The rhythm' pumping in my heart,  
In La Rosa we dance to the tempo of the love, boy,  
Your hip's making a shift,  
And you fall deep into it's spell,  
Let your body talk, till voice in you says,  
Say baby  
I'm the one you find deep in that move,  
That drives your body and your senses,  
I'm the heat inside,  
When rhythm and love collide,  
Cuba, let me introduce myself  
Cubaaaaaaaaaaa!  
Represent, Represent, Cuba,  
Orishas underground de Havana  
Represent, Represent, Cuba,  
Hey, mi musica  
Represent, Represent, Cuba,  
Orishas underground de Havana  
Represent, Represent, Cuba,  
Hey, tu musica  
Ven que te quiero cantar de corazn asi  
La historia de mis raices  
Rumba son y guaguanco todo mezclado  
Pa' que lo bailes tu  
Mira, ay quien no baila en la habana  
I'm the one you find deep in that move,  
That drives your body and your senses,  
I'm the heat inside,  
When rhythm and love collide,  
Cuba, let me introduce myself  
Cubaaaaaaaaaaa!
