Is it impossible to learn to love
Start giving all I've got to give
Find out what I'm made of
Untether the ties and decide
From a heart someone mine will
If it isn't impossible
Why couldn't you be here

Is it impossible to be truly loved
The answer to somebodies question
They've been in search of
To be one and for all
That I am midnight moon or midnight sun
If it isn't impossible
Why couldn't you be that one

Is it impossible to learn to love
Start giving all I've got to give
Find out what I'm made of
Untether the ties and decide
From a heart someone mine will
If it isn't impossible
Why couldn't you
