

Sasha Lopez "All My People"

Visit "[All My People](#)" on MotoLyrics.com

All my people on the floor, we party all night
We want some more, we wanna see some more
We're about to turn it on under the light
We never stop, we roll, we roll, we roll...

Yes, Sasha Lopez,
He wants to see your body move
We're ready for the world
Let's go!

Hey mister lover, I need a dancer
To make me shake my booty
To make me break the floor
So show me your moves
You're sexy, you're smooth
You make me wanna touch, touch
Hey-a

Hey mister lover, I need a dancer
To make me shake my booty
To make me break the floor
So show me your moves
You're sexy, you're smooth
You make me wanna touch, touch
Hey-a

All my people on the floor, we party all night
We want some more, we wanna see some more
We're about to turn it on under the light
We never stop, we roll, we roll, we roll...

All my people on the floor, we party all night
We want some more, we wanna see some more
We're about to turn it on under the light
We never stop, we roll, we roll, we roll...

Right here, let's go!

Show me what you doin'
I'll show what it's on
We gonna make everybody burn the floor
I'm gonna give you some more from dusk to dawn

Show me what you doin'
I'll show what it's on
We gonna make everybody burn the floor
I'm gonna give you some more from dusk to dawn

Hey mister lover, I need a dancer
To make me shake my booty
To make me break the floor
So show me your moves
You're sexy, you're smooth
You make me wanna touch, touch
Hey, Andreea

Hey mister lover, I need a dancer
To make me shake my booty
To make me break the floor
So show me your moves
You're sexy, you're smooth
You make me wanna touch, touch
Hey-a
