for the last time  
you grace me with your  
insincere cold hand  
its so tempting  
like all perils of the modern man  
you slip out of the room  
no slamming of a door  
no picking a fight  
come on come on  
gimme some kind  
of a show

go go go go  
there'd be no smothering cries  
go go go go  
there'd be no selfserving lies  
go go go go  
look here  
if i could do it again  
there'd be no tomorrow  
you'd be gone

come on come on  
give me just a bit of spite  
cause im someone  
you could easily ignite  
you keep dropping the ball  
you keep biding my time  
but can we take anymore?  
revolution - tear the walls  
of your cold war

go go go go  
there'd be no smothering cries  
go go go go  
there'd be no selfserving lies  
go go go go  
look here  
if i could do it again  
there'd be no tomorrow  
you'd be gone

go go go go (x3)  
if i could do it again  
there'd be no tomorrow  
you'd be gone

go go go go  
there'd be no smothering cries  
go go go go  
there'd be no selfserving lies  
go go go go  
look here  
if i could do it again  
there'd be no tomorrow  
you'd be gone
