i've seen many pictures of you  
all the things you think you can do  
i found lots of blood in your trails  
found your bloodred shoes at the end  
look out!

I'll do some bad things to you  
cause i'm a bad bad boy  
and you're a bad bad girl  
i got your favourite toy  
look out!

it's karma, babe  
no accident  
you won't prevail  
it's evident  
fingers crossed  
on your back  
clench my fist  
can't take it back

I'll do some bad things to you  
cause i'm a bad bad boy  
and you're a bad bad girl  
i got your favourite toy

ive seen the pictures of you  
doing all the things that you do  
there's someone coming for you  
its a bad  
a b b b bad boy

it's karma, babe  
no accident  
you won't prevail  
it's evident  
fingers crossed  
on your back  
clench my fist  
can't take it back

you need a miracle

you'll need a miracle

it's karma, babe  
no accident  
you won't prevail  
it's evident  
fingers crossed  
on your back  
clench my fist  
can't take it back

karma, babe  
Yeah!  
karma, babe  
Yeah!
