Memories of you takes me back in time
In my lovely heart feeling this lonely night
Memories of you are a part of me
Tell me when you're back losing a game to me

How can I carry on. (carry on, carry on)
Seems so far away (seems so far away)
Now surrender me (now surrender me)
And this love never ends
Memories of you, one of us is crying
In this lonely bed feeling this lonely mind
Memories of you, waiting for a call from you
Tell me when you're back losing a game to me
