Like a shadow me nowhere.
I try to understand
Stormy wheather I've been lonely, starting to the end
That's the lie again, through the night
Where ain't no place to go and

Wasting water.
It's all right and maybe riffing water
It's only the same
Wasting water.
It's all right and maybe riffing water
It's only the same
Don't you know that love is feeling
Something share in smile
Time is changing, don't you hear me.
Think about your life
That's the lie again, through the night
Where ain't no place to go and
