"I Wanna Dance"

Visit "[I Wanna Dance](#)" on MotoLyrics.com

I must admit, I'm feeling it
And I know that you are feeling it too

Everybody is watching
So I start rocking
Now the rest is up to me and you

I wanna step out
Show you what I can do
Show you that I can move
So you can see how I get down

I come to step back
So what you gotta do
You know what I came to do
I came to get down

(Refrão)
I wanna dance
(Show me what you got (2x))
I wanna dance
(Show me what you got (2x))
I wanna dance
(Show me what you got (2x))
I wanna dance
(Show me what you got (2x))
Now everybody clap, clap, clap. clap

I'm in the zone
Feels like I'm all alone
The way I'm moving on the dance floor

I'm moving side to side
Left to right
I think I could dance all night
Music got me feeling right
I think I will dance all night

(Refrão)
I wanna dance
(Show me what you got (2x))

I wanna dance
(Show me what you got (2x))
I wanna dance
(Show me what you got (2x))
I wanna dance
(Show me what you got (2x))
Now everybody clap, clap, clap. clap

I wanna, I wanna, I wanna dance
Now everybody

(RefrÃ£o)
I wanna dance
(Show me what you got (2x))
I wanna dance
(Show me what you got (2x))
I wanna dance
(Show me what you got (2x))
I wanna dance
(Show me what you got (2x))
Now everybody clap, clap, clap. clap
