Today's gonna be a good day.  
Look and smile my way, yeah.  
You look into my eyes and say,  
I love you for the first time.  
But you don't know that I exist,  
You don't know I'm alive.

You're not gonna see me break,  
I will be okay.  
No matter what you say,  
I'm not gonna break today.  
You're not gonna see me cry,  
No tears will fall from these blue eyes,  
I'll sleep okay tonight.

Everywhere I turn,  
I see him with her.  
My heart is breaking,  
But he's not even thinking  
About how I feel,  
He's erased me from his memory.

You're not gonna see me break,  
I will be okay.  
No matter what you say,  
I'm not gonna break today.  
You're not gonna see me cry,  
No tears will fall from these brown eyes,  
I'll sleep okay tonight.

Tears on my pillow each night,  
So harder and harder I fight,  
I'll make this relationship right.

You're not gonna see us break,  
We will be okay.  
No matter what you say,  
We won't break today.  
You're not gonna see us cry,  
No tears will fall from these eyes.  
I'll sleep okay tonight,

I'll sleep okay tonight,  
I'll sleep okay tonigh,  
I'll sleep okay tonight
