I never thought that I knew it all  
I never thought I could make it on my own  
But now I think maybe I was wrong

When someone said I should go  
When someone said I could be a star  
I forgot the friends I have at home  
And I

I really don't wanna say goodbye  
But how am I supposed to say  
No, no, no, no  
Everything's telling me  
Go, go, go, go

So why are they telling me no?  
It's driving me insane  
'Cause everything's telling me no  
No, no, no, no  
Everything's telling me no  
No, no, no, no

I grab my bags and I take a flight  
I look away before I start to cry  
'Cause deep inside, leaving just feels right  
Yeah

My mother says that it's time to go  
I look at her and suddenly I know  
I was wrong, this is not the time  
And I

I really don't wanna say goodbye  
But how am I supposed to say  
No, no, no, no  
Everything's telling me  
Go, go, go, go

So why are they telling me no?  
It's driving me insane  
'Cause everyone's telling me

I dropped my bags and I say, move on  
I close the door and I open up my arms  
And then I say, I think I'll stay  
Even though they're telling me

No, no, no, no  
No, no, no, no

So why are they telling me no?  
It's driving me insane  
'Cause everyone's telling me  
No, no, no, no  
Everything's telling me  
Go, go, go, go

So why are they telling me no?  
It's driving me insane  
'Cause everyone's telling me no  
No, no, no, no  
'Cause everyone's telling me no  
No, no, no, no  
'Cause everyone's telling me no
