Yeah, Yeah

A dream is a wish your heart makes

When you're fast asleep

In dreams you will loose your heartache

Whatever you wish for you keep

Have faith in your dreams and someday

Your rainbow will come smiling through

No matter how your heart is grieving

If you keep on believing

A dream is a wish your heart makes

When you're feeling small

Thinking no one can hear you at all

You wake with the morning sunlight

To find fortune that is smiling on you
