Ahhh... Yeah yeah  
You've got to show me love

Heartbreaks and promises  
I've had more than my share  
I'm tired of giving my love  
and getting nowhere nowhere  
What I need is somebody who really cares  
I really need a lover  
a lover who wants to be there  
It's been so long since I touched a wanting hand  
I can't put my love on the line  
that I hope you'll understand

So baby if you want me  
You've got to show me love  
Words are so easy to say oh ah yeah  
You've got to show me love

I'm tired of getting caught up  
in those one night affairs  
What I really need is somebody  
who will always be there  
Don't you promise me the world  
all that I've already heard  
This time around for me baby  
actions speak louder than words

So if you're looking for devotion talk to me  
Come with your heart in your hands  
Because me love is guaranteed

So baby if you want me  
You've got to show me love  
Words are so easy to say oh ah yeah  
You've got to show me love

Show me show me baby  
Show me show me baby  
Show me show me baby  
Show me show me baby

Heartbreaks and promises  
I've had more than my share  
I'm tired of giving my love  
and getting nowhere nowhere  
What I really need is somebody  
who will always be there  
This time around for me baby  
actions speak louder than words

If you're looking for devotion talk to me  
Come with your heart in your hands  
Because me love is guaranteed

So baby if you want me  
You've got to show me love  
Words are so easy to say oh ah yeah  
You've got to show me love

There's nothing that you can tell me  
You've got to show me love  
There's only one key to my heart  
You've got to show me love

Show me show me baby  
You've got to give it to me give it to me  
give it to me yeah  
I don't want no fakes don't want no phoney  
I need you love  
Show me show me show me baby  
Give it to me give it to me  
I am not a toy I'm not a play thang  
You've got to understand

If you're looking for devotion talk to me  
Come with your heart in your hands  
Because me love is guaranteed...  
Yeah yeah yeah yeah yeah
