*I was a step away from being perfect
Now I'm a step away from living in delusion
Until the light shines on me and I am perfect
I'm one of everybody, I'm so loving it! So loving it!

(Chorus:)

I am so touchable, so lovable, so kissable, so bearable
I am acceptable, cuz this is my life
I am so accepting it, so lovable, so kissable, i am so
bearable
Min en san suh 6x

**They said that I'm sick but why I'm so rejected
It's hard to separate myself from your illusion
Just put yourself in my position I am perfect
I'm one of everybody, I'm so loving it! So loving it!

(Chorus:)

I am so touchable, so lovable, so kissable, so bearable
I am acceptable, cuz this is my life
I am so accepting it, so lovable, so kissable, i am so
bearable
Min en san suh 6x

(instrumental)
