Does it make you feel nervous  
Playing in my game  
Glad to be of service  
Danger is my name

So I make you feel reckless  
Like you're off control  
You're gonna lose you inhibitions  
You're gonna sell your soul  
Don't be shy, come on, take a risk Come and sit with  
me  
Oh, I must insist

I push your button to get you jumpin' Get up and turn  
me on so I can get some lovin'  
I gotcha, I gotcha  
On remote control  
I push your button to get you jumpin' Get up and turn  
me on so I can get some lovin'  
I gotcha, I gotcha  
On remote control  
Nobody is looking  
It's not against the law  
I know what you got cooking Let's get on the floor  
Do I make you feel horny?  
So you can't think straight I wanna be a little naughty  
Just do what I say Take a chance, baby, don't be scared  
I'm gonna make you dance in my underwear

I push your button to get you jumpin' Get up and turn  
me on so I can get some lovin'  
I gotcha, I gotcha  
On remote control  
I push your button to get you jumpin' Get up and turn  
me on so I can get some lovin'  
I gotcha, I gotcha  
On remote control  
Got some things for us to try This won't end till  
tomorrow night Baby, that's right This is not about  
romance This could be your only chance Baby, that's  
right  
I gotcha, I gotcha

On remote control

I push your button to get you jumpin' Get up and turn  
me on so I can get some lovin'

I gotcha, I gotcha

On remote control

I push your button to get you jumpin' Get up and turn  
me on so I can get some lovin'

I gotcha, I gotcha

On remote control
