[Verse 1]

Gunpowder on my fingertips
Cocaine under my fingernails
Look, mama, what Schoolboy brought to Show & Tell
Ain't got no vest, protected by these shells
Kill or be killed, lift up souls, we raising Hell
Ungh - two for his back bring failure to his lungs
Knock-knock-knock-knock your Velvet Rum
Might burn your heart, this pistol I'll fill your tum
Ungh... ungh... dope dealer, dope nigga
Got the stash in the rental takin' blunts to the mental
Fuck y'all, go get 'em - bang 'em all
Ball and ball, money tall, park the Saab, I want it all
I want that crib and I want that yard
I want that broad and I want that car
I'll pull your card for frontin' like you hard
You be in deep shit from this pistol...
His heart racing, my heart's not
Shift his top, hold that thought
Wave my flag, bitch stop
You forgot, I hit 'em up... yeah

[Hook]

Ungh... boy, I hit 'em up...
Ungh, motherfucker, I hit 'em up...
Ungh... I say, nigga, I hit 'em up...

[Verse 2]

They come to me to learn shit they can't learn in church
Like get him 'fore he get you first
Jump out with J-O-B, 'bout to put in work (work... yeah)
Have a seat, this bullet rip your shirt
Ain't nothing sweet, you'll see a star burst
I keep orange laces in my Converse
Off house arrest, now hear this converse
I keep my pistol on my hip, usually that rubber grip
Don't have a half a clue, them boxes for hollow tips
I've got more Oxy than a pharmacy
Also, I keep action clips, when I move E

Yeah, I swear to God won't find a nigga like him
I greet 'em, pop 'em, then I As-salamu alaykum 'em
Heaven or Hell your only ultimatum
Hit a pussy through his lip ring, my niggas murder
No attempting - got blasted
'Nother dropped on his ass, placed up in that body
bag
Toe tag, I hit 'em up!

[Hook]
