White man

We always get paid  
White man  
Black is beautifull, brown is it  
Yellow is okay but white ain'??t shit  
No man I'??m not a racist or a fanatic  
See me on the ave chillin'?? look like automatic  
My name'??s Schoolly school I live in the neighborhood  
My color is brown I must have been good  
Look at that nigger  
Wants to pull a trigger  
To hi on caine  
That'??s what I figure  
Come here honey I say you something funny  
We make the raps and they make the money  
Keep us uneducated and some of the brain  
The same white bitch got you strung out on caine

White man  
If you ever feel like this  
Man Fuck school, school is getting sleazier  
Fuck work, my work is getting measier  
Fuck life, I'??m tired of getting pleasier  
I rather sell drugs, selling drugs is easier  
Standin'??on the corner selling cadges of crack  
Telling all these little kids to step the fuck back  
Sneakers ran over, you hear all nighty  
Only thing you care about is beat me up scotty  
Yes slick, I'??m giving my dick  
Don'??t come here causing some/and? Pain  
Cause you'??s the same white bitch that got me strung  
out on kane  
White man  
Yo babe check this shit out  
Fuck the TV, the sender is wrong (?)  
To say cheebah cheebah in a Schoolly D song  
They think I'??m uneducated and some of the brain  
That same white bich got me strung out on kane
