Oooh-oh-oh!  
Oooh-oh-oh!  
Oooh-oh-oh!

Temperature is dropping  
Baby, can you feel the chill?  
Just tell are you coming  
Baby, tell me what's the deal?

Sipping on hot chocolate  
Wrapped in a blanket  
Trying to keep from shivering  
Shivering  
Shivering  
I can see my breath  
Boy IÃfÃçâ, -Ã™ m so upset  
I need you here with me

IÃfÃçâ, -Ã™ m so cold  
So co-co-cold  
Wrap your arms around me  
Will you hold me tightly?  
It's way to cold  
So co-co-cold  
Baby its freezing  
Don't say youÃfÃçâ, -Ã™ re leaving  
IÃfÃçâ, -Ã™ m getting cold

Frostbite on my fingers  
And itÃfÃçâ, -Ã™ s slowly getting into my heart  
Getting into my heart  
(Getting into my heart)  
Every night feels like winter  
Baby, every second we're apart

Sipping on hot chocolate  
Wrapped in a blanket  
Trying to keep from shivering  
Shivering  
Shivering  
I can see my breath  
Boy IÃfÃçâ, -Ã™ m so upset

I need you here with me

IãfÂçâ, -Â™ m so cold  
So co-co-cold  
Wrap your arms around me  
Will you hold me tightly?  
It's way to cold  
So co-co-cold  
Baby its freezing  
Don't say youãfÂçâ, -Â™ re leaving

IãfÂçâ, -Â™ m getting cold  
IãfÂçâ, -Â™ m getting cold  
IãfÂçâ, -Â™ m so co-co-co-co-cold  
IãfÂçâ, -Â™ m so co-co-co-co-cold  
Ooooh-oh-oh!  
IãfÂçâ, -Â™ m so co-co-co-co-cold  
Ooooh-oh-oh!  
Oooh-oooh-oooh!

Cold  
So co-co-cold  
Wrap your arms around me  
Will you hold me tightly?  
It's way to cold  
So co-co-cold  
Baby its freezing  
Don't say youãfÂçâ, -Â™ re leaving

IãfÂçâ, -Â™ m so cold  
So co-co-cold  
Wrap your arms around me  
Will you hold me tightly?  
It's way to cold  
So co-co-cold  
Baby its freezing  
Don't say youãfÂçâ, -Â™ re leaving  
IãfÂçâ, -Â™ m getting cold

IãfÂçâ, -Â™ m getting cold  
IãfÂçâ, -Â™ m getting cold  
IãfÂçâ, -Â™ m getting cold

Cold
