If I could go back
To one moment in time
And stop the world from turning
Just by closing my eyes
Forever there
You'd still be mine

The moment,
just before good-bye

If I could go back
to when you were here
I'd try to find the reasons
for all of your tears
Oh how my heart longs,
Oh how it cries

For that moment,
just before good-bye

You may go
But they will stay
The memories
That we made
Along the Way

Like our first kiss
Our baby's first cries
These are always with me
Till the day that i die

So if i could go back
To one moment in time
When we were still together
Your hand in mine
I'd say I love you
Ten Thousand Times

The Moment
just before good-bye

(solo)

(That moment in time)

I'd say I love you
One last time
The moment,
just before good-bye
The moment,
just before good-bye

mmhmm...
