Outta the sky tonight  
Oh oh oh oh, oh oh oh oh ohoho x3  
Oh oh oh oh, nooo  
Outta the sky tonight  
Oh oh oh oh, oh oh oh oh ohoho x3  
Oh oh oh oh, nooo

Last night, decided i would take a ride  
i had the feeling i was one in a million.  
The moon was bright, and givin' off a different light,  
and that was when i spotted you.

Going up and down, you were bouncin' up and down.  
Going up and down, you were burning up the ground.  
Throwin' it all around, you were bouncin' up and down,  
and i said oh oh o oh nooo...

Everybody in the club, is comin' to watch you,  
everybody in the club, is watching you down,  
Everybody in the club, is comin' to watch you,  
everybody in the club, outta the sky tonight.

Oh oh oh oh, oh oh oh oh ohoho x3  
Oh oh oh oh, outta the sky toniiiiight  
outta the sky toniiiiight  
outta the sky tonight.

Going up and down, you were bouncin' up and down.  
Going up and down, you were burning up the ground.  
Throwin' it all around, you were bouncin' up and down,  
and i said oh oh o oh nooo...

Everybody in the club, is comin' to watch you,  
everybody in the club, is watching you down,  
Everybody in the club, is comin' to watch you,  
everybody in the club, outta the sky tonight.

Oh oh oh oh, oh oh oh oh ohoho x3  
Oh oh oh oh, outta the sky tonight.

Outta the sky tonight.
