I saw your status change
Your life's been rearranged
It must be really strange to be on your own now
"You have no new messages"

Because Santa Claus is coming
Seems like everybody's getting something..
Except you
Because you're -- like I said -- on your own now

But you've got a choice
You don't have to be lonely this Christmas
You can simply have a wonderful time

Forget the silent nights
Turn on the Christmas lights
You're gonna be all right on your own
A star shining bright
Set the sky alight, oh Holy night
You're frankincense-ational
You'll be the perfect Christmas single

You've got free reign, dear
"Not a free reindeer?!" "Well... no"
But your reign is free - the deer belong to Santa

So don't hide away
Though baby it's cold outside
Don't you know it's Christmas time at all?

Forget the silent nights
Turn on the Christmas lights
You're gonna be all right on your own
Feel the Christmas cheer
Get yourself a beer
All your mates are here
You're frankincense-ational
You'll be the perfect Christmas single

Get your chimney swept and trim your tree
O.M.G. I feel so Christmassy
But spare a thought for those who have it worse than

you

You're a Christmas hit [x4]

You ain't gotta feel fear just mingle
Give a little sing to the singles

Forget the silent nights
Turn on the Christmas lights
You're gonna be all right on your own
A star shining bright
Set the sky alight, oh Holy night
You're frankincense-ational
You'll be the perfect Christmas single
