Never really cared about what anybody telling me,
I never listened, break at losses, like I got it feel in me.
My music is the glory, it's so softly that it's killing me
It never really bothered me, they say he wasn't feeling
me.

I got money on my mind, got a million in my pocket,
Could you stop and you can't nag, I got be tougher than
a tropic.

Got it right, go to the shop and get an outfit from hot
topic.

Got a black girl, take her shopping, she ready to get it
popping.

At the club night and now she got to call her girls,
Got to grew potential, get all the messages from your
man.

She's in fact really hoping to rebuild your hopes up,
She's a fucking player, mess with her and have to get
your do-up.

Fuck swag, I'm a gold ass nigger,
Killing everybody, don't make me pull a trigger,
Hit rock bottom but I'll never be a quitter,
This is only the beginning and I'm only getting bigger.
Fuck swag, I'm a gold ass nigger,
Killing everybody, don't make me pull a trigger,
Hit rock bottom but I'll never be a quitter,
This is only the beginning and I'm only getting bigger.

Fuck swag, fuck swag, fuck swag,
Fuck swag, fuck swag, fuck swag,
Fuck swag, fuck swag, fuck swag,
Fuck swag, fuck swag, fuck swag.

Crazy imma say, because I'm rapping a lot about them
But you'd like to hear a swagger, this ain't rapping, this
is stunting

Put the truth away and rap about the things that never
had

And rap about the hoes and bitches and the best I ever
had.

I got a 'billy in the back and a blue body in the front

And I ain't never got no problems, my whole life is full
of fun
And all I do is make it rain, I got them stacks, stacks.
When the camera ain't on me, this ain't the way I really
act.
But I'm an entertainer to the fullest, tryin' to be the
coolest,
Fly ass nigger that you love to see.
Pulling on the hoes every time I'm on the scene,
All my jewelery bling is fake, but I'm looking like a king.

Fuck swag, I'm a gold ass nigger,
Killing everybody, don't make me pull a trigger,
Hit rock bottom but I'll never be a quitter,
This is only the beginning and I'm only getting bigger.
Fuck swag, I'm a gold ass nigger,
Killing everybody, don't make me pull a trigger,
Hit rock bottom but I'll never be a quitter,
This is only the beginning and I'm only getting bigger.

Fuck swag, fuck swag, fuck swag,
Fuck swag, fuck swag, fuck swag,
Fuck swag, fuck swag, fuck swag,
Fuck swag, fuck swag, fuck swag.

I don't write my rhymes and I'm the best rapper to do it,
Got these little kids in elementary who stay in tunes
By my every word I'm rapping, I'm not role modeling
and nothing
If their parents can't keep them on track, then imma
keep 'em functioning.
And I ain't got no worries, 'cause I'm really not a super
hero,
Catch me out in Paris where I'm spending all my euros.
Post a photo, happened to be really mad,
And I pretended like I got to get the bitches when I
shine.
Every time I post another pic, hoes on my dick,
Swag, swag, swag, I'm the shit.
It's the cuties with them I'll never show,
What a white ghost.
I ain't really better than most.

Fuck swag, I'm a gold ass nigger,
Killing everybody, don't make me pull a trigger,
Hit rock bottom but I'll never be a quitter,
This is only the beginning and I'm only getting bigger.
Fuck swag, I'm a gold ass nigger,
Killing everybody, don't make me pull a trigger,
Hit rock bottom but I'll never be a quitter,
This is only the beginning and I'm only getting bigger.

Fuck swag, fuck swag, fuck swag,
Fuck swag, fuck swag, fuck swag,
Fuck swag, fuck swag, fuck swag,
Fuck swag, fuck swag, fuck swag.
