Now lay me down to sleep, I pray to Lord my soul to
keep.
If I should die before I wake, I pray to Lord my soul to
take.
Hey, hey, I'm running fast, time moving, I just pray, I
last.
Hey, hey, I'm running fast, time moving, I just pray, I
last.

God, if you hear me, please accept this letter,
I'm writing to you just to let you know I can do better
Temptation is a beast, temptation got me weak,
I'm spending bill money on strippers like every week.
I'm addicted to crack, not the one that you smoke,
But the one that be sliding down that beautiful pole.
I'm only human, but it's no excuse,
Through you God, I win, and I ain't trying to lose.
We're so imperfect, but we dream of pure perfection.
I just pray You lead me in the right direction.
I'm trying to treat people with kindness, but they're so
greedy,
I don't even know her, but she acting like she need me.
However, I do give money when I barely have it,
I just hope he don't use it on his alcohol habit.
But that ain't up to me, as long as I give, I'm okay,
right?
I even threw in a sweater to make it through his cold
night.

Now lay me down to sleep, I pray to Lord my soul to
keep.
If I should die before I wake I pray the Lord my soul to
take.
Hey, hey, I'm running fast, time moving, I just pray, I
last.
Hey, hey, I'm running fast, time moving, I just pray, I
last.

Sometimes I feel lost, am I rapping for a cause?
Positivity I try to spread throughout my bars
I don't wanna be a star, just wanna make an impact,

Just wanna let the youth know if they fall down they can bounce back.

God, can I get to know You? I feel I'm always drifting
Why am I always sinning? I just wanna get be lifted.
Green in my system as I'm reading through Corinthians
Please, tell me that it's not a contradiction.
Corinthians 10:21, why does everything bad gotta be so fun?

I know I hardly pray, but I just wanna say
Thank You for waking me up, You got me through my day.

As long as I'm on Earth I think that I should work
On tryin' to be a better person, I think that it's worth it.
So I sit and reminisce, and ask for forgiveness.

Now lay me down to sleep, I pray to Lord my soul to keep.

If I should die before I wake I pray the Lord my soul to take.

Hey, hey, I'm running fast, time moving, I just pray, I last.

Hey, hey, I'm running fast, time moving, I just pray, I last.

Now lay me down to sleep, I pray to Lord my soul to keep.

If I should die before I wake I pray the Lord my soul to take.

Hey, hey, I'm running fast, time moving, I just pray, I last.

Hey, hey, I'm running fast, time moving, I just pray, I last.
