Featuring Ariez Onasis

Where my champions at? Where my champions?
Dim the lights just to recreate the ambiance
About the murder, the stage, call an ambulance
Moment of silence, my condolences
I'm going crazy, I don't think that I can hold it in
I pray to God to forgive me for my life of sin
I'm jumping in even if I don't know how to swim
Working like it's 2 of me but I ain't got a twin

Wait a minute, it's that theme music
Go hard in the paint to get a real music
This for my people that really never had nothing
The money will come, they do it because they love it

This for my niggas who's tired of being tired
Never take a seat, stand up like Richard Pryor
Always tryina reach everything they desire
I'm just tryina preach that you can't take it higher

I said I feel like I'm the greatest
I said I feel like I'm the greatest
I'mma be here when my time is up
I said I feel like I'm the greatest

One day you'll know when the time comes close
(I said I feel like I'm the greatest
I said I feel like I'm the greatest)
One day you'll know when the time comes close
(I'mma be here when my time is up
I said I feel like I'm the greatest)

Got a lot of things that's on my mind
I just take this one day at a time
Never lose a step, I'm on my grind
And you think that you can be here, so I say it in my
rhymes

So many dreams that I wanna achieve
Look myself in the mirror like I believed

Wanna get your day going, it's the fix you need
Work hard so I could feed my nephew or my niece
What I do it for the family, do it to get a Grammy
To it to be the greatest, earliest and the last
Niggas that tried to play us, wishing they never did
Tryina do me favors, seeing that I'm ahead
Blood out a struggle, walking over troubled puddles
Hustler's on my chest, no hustle - no progress
Pieces to the puzzle when everything was a mess
I'm just tryina stay blessed, be better than all the rest

I said I feel like I'm the greatest
I said I feel like I'm the greatest
I'mma be here when my time is up
I said I feel like I'm the greatest

One day you'll know when the time comes close
(I said I feel like I'm the greatest
I said I feel like I'm the greatest)
One day you'll know when the time comes close
(I'mma be here when my time is up
I said I feel like I'm the greatest)

That's gonna do this, bread that we stuntin
I know I'm the greatest, ya ain't telling me nothing
Bitch I'm blowin up if you pressin a button
Pour up the ash, sprinkle some stress in the blunt
Watch your professional work, lower the lights
Might mistake me for lucky, I'm rolling the dice
Over obsessed, got these hoes in distress
Prepared for the worst, I hope for the best
Kinda fly to be a genius, never been a dummy
And I ain't sacrificed all my integrity for money
Some things are more important, I'm tryina keep the
balance
What's understood don't gotta be explained, speak in
silence
Nothing worth it is easy, nothing easy is worth it
Now we facing a verdict, practice making me perfect
Young rich and motivated, got no time to stress
And good is just an understatement, baby I'm the best

I said I feel like I'm the greatest
I said I feel like I'm the greatest
I'mma be here when my time is up
I said I feel like I'm the greatest

One day you'll know when the time comes close
(I said I feel like I'm the greatest
I said I feel like I'm the greatest)
One day you'll know when the time comes close

(I'mma be here when my time is up
I said I feel like I'm the greatest)
