1st verse (Sean D)

My style is like lightning flashes
Coz after its strikes-Mcz are reduced to a pile of ashes
I never strike twice in the same place
Coz the first time I strike-ya get yo frame erased
I never say Iâ€™m the best-but Iâ€™m better than you
Try to step-But Iâ€™m ten steps-Ahead of your crew
Amm leave you with fat lip-lyk chicks getting collagen
Implants to enhance-lips to blow-my chicks for dough
Iâ€™m slick, rocking kicks and clothes-your gal buys
me
A little upset?? It donâ€™ t surprise me
Times are hard- Now through in the towel
My flow so smooth-lyk milk
Now ladies call me-Mr Ideal

CHORUS

2ND Verse (Sean D)

Iâ€™m all tailored from my head to ma tippy toes
Iâ€™m talking Rogue-Yeah Iâ€™m all Rogue
Iâ€™m lyk a cynosure-When I step on scene
Me and ma three galz-We running things
Tell em- â€“Big dreams-we got Big things
Camzie,got T-Punk, Shazz Candy be killing things
Iâ€™m gobbilin rappers-Others claiming they gangstaz
Making headlines like on B-Metro
You niggaz beefin up-On a social networks

Iâ€™m dropping hits-Yaâ€™ all dropping diss tracks
On stage up be killing rhymes
My rhymes make your chicks cum
Something thatchu never done
Stick up to my big rule
Donâ€™t like ma women single
I like em all-taken boy
I take em all-I Rock em all
I treat em good-they treat me good.
