Love, love, love, love bit me on the ass
Love, love, love, love bit me on the ass

Love bit me on the ass
It got me by surprise
Love bit me on the ass
Took teeth to realize
That I'm just a lonely boy
Yes, deep down I'm blue
But when I unleash the beast
To myself I'm true

Love, love, love, love bit me on the ass
Love, love, love, love bit me on the ass

Love bit me on the ass
Bit me deep down too
Love bit me on the ass
But no way am I like you
I may be quite different
But I am not a beast
I just wanna cuddle
You just wanna feast

Love, love, love, love bit me on the ass
Love, love, love, love bit me on the ass
Love, love, love, love bit me on the ass
Love, love, love, love bit me on the ass
Love, love, love, love bit me on the ass
Love, love, love, love, love
