I got a feeling  
A feeling that I'm gonna explode  
Yes, I've got this feeling  
How much longer must I hold my load?  
Oh, what do I do?

Purge this urge  
Oh God, I really gotta purge this urge  
If nothing else, I gotta purge this urge  
Oooo-oooo-oooo  
Purge this urge

The time is coming  
When I gotta choose  
There's no more hiding  
No more playing by the boss man's rules  
I've got to find my own way

Purge this urge  
Oh God, I really gotta purge this urge  
If nothing else, I gotta purge this urge  
Oooo-oooo-oooo-ooo-ooo-oooo  
Purge this urge!
