Well, I dig bananas  
And you dig pears  
Just cuz we're different  
Don't you be no square

Everybody's got somethin'  
That gets 'em through the night  
So join my party, let's have a ball  
Cuz here there is room for all

There's room for all  
Californ-i-a  
There's room for all  
Fun, fun to be gay

Grab your girl or grab your buddy  
Whichever way you play  
Come on, let's face it, everybody's gay

Well, you say later  
And I say right now  
The times, they're changing  
So don't have a cow

You can roll with it  
Or it'll roll all over you  
So join my party, let's have a ball  
Cuz here there is room for all

There's room for all  
Californ-i-a  
There's room for all  
Fun, fun, fun, fun to be gay

Grab your girl or grab your buddy  
Whichever way you play  
Come on, let's face it, everybody's gay  
Come on, let's face it, everybody's gay  
Right here, each and every one of us  
There's room for all  
Yeah!
