Sean Ray.....

Just close your eyes, don't worry about who can
"see x8"

Dance floor's the room, be my sheets,
I'm on your pillow, lay on me,
One night stand, B.E.D
We don't even have to leave,
Turn this club into a bedroom,
Girl let's turn this club into a bedroom,

(verse)

Shawty with the hips, dipping that back,
Don't turn you turn around, work it like that,
All of these girls, none can match that,
Shawty on fire, she don't need a match,
I told her like this, baby just relax,
What you want from the bar, I'll provide that,
Baby you a star, shine like that,
Racks on racks damn baby you stack,
Then I told her like,

(bridge)

Take my hand follow me, I'll take you to VIP,
Empty room you and me,
Satisfaction guarantee.

(Chorus)

Dance floor's the room, be my sheets,
I'm on your pillow, lay on me,
One night stand, B.E.D
We don't even have to leave,
Turn this club into a bedroom,
Girl let's turn this club into a bedroom,

(verse)

Shawty what you say, it's your first time,
Follow my lead, you ain't gotta be shy,
Knock it out the park, yea berry boss,
baby I'm a boss, I can handle mine,
I told her like that, Then she said show me
Had her on her back legs, up saying slowly

We gonna make love, you ain't gotta know me
But at the end of the night you gonna remember this....

(bridge)

Take my hand follow me, I'll take you to VIP,
Empty room you and me, Satisfaction guarantee.

(Chorus)

Dance floor's the room, be my sheets,
I'm your pillow, lay on me,
One night stand, B.E.D
We don't even have to leave,
Turn this club into a bedroom,
Girl let's turn this club into a bedroom.
