Body like a goddess, some say you're the hottest,  
I gotta be honest, I ain't seen a body this cold in a long  
damn time, girl,  
Soon as I saw you, knew I had to make you mine, girl  
(oh),  
Ain't nobody, gon' stop me neither,  
You been stuck in my mind, bet you got cabin fever,  
You got the coldest kisses,  
You got the sickest touch,  
I might just freeze the death,  
But I can't get enough...

I gotta be wrapped up in love with you,  
When you do, what you do, when you do it,  
(I gotta be wrapped up in love with you)  
I don't even think you know what you're doing,  
(You're so hot so cool, you're so hot so cool, baby)  
It's something about the way you love,  
(You're so hot so cool, you're so hot so cool, baby)  
All year 'round, you don't give up

Chorus:

You are my, winter time, summer shine, you brighten  
my days,  
Ice or snow, you always know, just how to keep, the  
heat away,  
You're my cool breeze, You're my cool breeze  
You're my cool breeze, You're my my my my cool  
breeze  
You're my cool breeze, You're my cool breeze  
You're my cool breeze, You're my my my my cool  
breeze

You turn me on whenever you turn me down, Oh, you're  
so cold,  
I put my heart in the wind and it just follows,  
Wherever that, cool breeze goes,  
Aye, girl, say, girl,  
I'm just tryin chill,  
And you're the coolest thing walking with a sex appeal,  
You got the coldest kisses,

You got the sickest touch,  
I might just freeze to death,  
But I can't get enough...

I gotta be wrapped up in love with you,  
When you do, what you do, when you do it,  
(I gotta be wrapped up in love with you)  
I don't even think you know what you're doing,  
(You're so hot so cool, you're so hot so cool, baby)  
There's something about the way you love,  
(You're so hot so cool, you're so hot so cool, baby)  
All year 'round, you don't give up

[Chorus:]

I've, never met anyone, quite as real as you,  
I wouldn't change a thing, I'm so complete with you,  
Baby, make a promise, you will never leave me,  
Cause you are sun, you are my moon, you're my  
everything

[2 x Chorus:]

Cool breeze, cool breeze  
You're my cool breeze
